EDUCATE. REFORM. REPAIR.

Whitby Bowling Club, Discovery Drive, Whitby, Thursday February 23rd 2012, 10am-4.30pm

The Sensible Sentencing Trust Wellington will be holding our inaugural bowls fundraiser tournament in February 2012. As a part of this day we would like to extend the opportunity for high school students and their supporting teacher in the Wellington Area to join us at no cost. Their entry will be sponsored with lunch and afternoon tea provided. Students and their support teacher will be drawn to play within teams of four and bowls will be provided.

There will be four places available and preference will be given to students with a strong interest in criminal justice. Tell us what you would like to see changed in the criminal justice system and why you think you would be a good student to involve in the day and you could be spending a fun day on the greens rather than in the classroom!

So don't miss out - get your entry in now and hopefully you can join us at the Whitby Bowling Club in February. See you there!!
